

The Grand History of 豆腐王國 Tofu Kingdom

Musical Style

Guitar-based Indiepop with
Dreampop and Shoegaze
elements

Find us on

Brief Introduction

Tofu Kingdom was formed in Hong Kong in April 2021, whose line-up comprised young Rita and Sam. They knew each other from childhood (1x years old). Despite having a squeeze on budget to support their music creation, they are still vibrant and youthful thanks to music!

The two youngsters listen to a diverse array of music. Creating, communicating, composing, O! What a beautiful scene! After numerous restless nights of sourcing tracks and styles, the duo finally settled on dreampop and shoegaze as the foundation, thus inadvertently developing their own distinctive musical style (In simple terms, Indie Pop).

Oh, wonder! How many godly bands are there here! O brave new world, the bearer of such beauteous band!

Right now, they are focusing on creating more and more songs, as well as recruiting kindred spirits tofus, slowly marching towards their goal of having a world tour (Traveling YEAHHHHH!).

王國簡史

豆腐王國正式成立於2021年4月，成員Rita和Sam相識微時（1x歲），成為音樂的奴隸後，更一同成為人生以至社會的奴隸！雖則同為社會中的無名畜牲，並苦於如何揮霍口袋內淺可見底的財富以支撐音樂創作，但他們因一同作樂而仍然青春年輕！

他們聆聽不同種類的音樂，相互激盪創意、交流創作，多麼的美好！歷經無數日夜的引經據典，最後他們決定以dream pop和shoegaze為音樂的主幹，無意間悟出獨有風格（簡單來說是indie pop），並以錄製奇幻有趣的音樂錄影帶為己任。

噫！這是多麼的任重道遠、多麼的獨出機杼、多麼的美妙美哉！

現在，他們正努力創作，招募更多志同道合的豆腐，並逐步邁向世界巡迴演出（旅行yeah）的目標！
